

RABBIT RANCH

Rabbit Ranch Chardonnay 2022

winemakers comments:

Rabbit Ranch Chardonnay is made to express the very best of Central Otago's cool climate, unique schist soils and grand vistas.

Handpicking, whole bunch pressing, minimal intervention and oak result in an expressive, energetic wine displaying the typical white floral and ripe citrus notes that are a hallmark of the region's best Chardonnay.

wine description:

The aromas are a complex potpourri of green apple, sweet lemon, white flowers and fresh herb, wet stone and a lick of spice. At once relaxed and urgent, a compelling wine displaying calm suppleness and drive, offering ripe citrus and white stone fruit flavours. The finish is expressive, flavourful and detailed.
